Wood Effects Plus is an extremely hard wearing, stable and waterproof[^] hybrid floor, making it ideal for all areas of your home. With an embossed matte finish, micro bevel edges and realistic tonal variations, Wood Effects Plus features a stunning natural timber wood grain look. A scratch and stain resistance surface coating means Wood Effects Plus can easily withstand the everyday wear and tear of busy family homes.

[^]Subject to proper installation, maintenance and local building code/regulatory approval. *This product comes with a residential warranty for new product installed indoors in a residential home, if properly installed and maintained. This warranty is in addition to consumers' rights under the statutory consumer guarantee provisions in the Australian Consumer Law, which may exceed the rights under this warranty. The amount recoverable under the warranty decreases after five years. For full information in respect to the scope and limitations of this warranty, please refer to the Wood Effects Plus Care and Maintenance and Warranties guide (which also includes full information as to the installation, care and characteristics of Wood Effects Plus floors) available from your retailer.

The supplier reserves the right to change the specifications of or delete colours of this product without notice. While all care is taken, product images may vary in colour due to possible printing process variations. Images are to be used as a guide only to give an idea of the colour and nuances of the pattern, but are not fully representative of the variations among the planks (which reflects the natural product which inspired the design). For a representative view of the surface structure and variations within the design, take a look at the big samples on display and ask your retailer for more advice.
