Beautiful, comfortable & practical

Universal Hybrid is a rigid core flooring product with integrated underlay. It has all the benefits of vinyl while requiring far less subfloor preparation and installation time.

Easy to clean

- Low maintenance due to its protective coating & matt finish
- Wet mop friendly

Impact resistant

- More indentation resistant than many other hard flooring options

Compatible with floor heating

- Can be installed over in-slab floor heating systems with a subfloor temperature up to 27°C degrees (refer to installation instructions)

Pet friendly

- Muddy paws and little accidents... no problem!

Low impact noise *

- Universal Hybrid has achieved a 6 star rating for multi-storey noise, making it ideal for apartment living.

Test results are site dependent.

Uniclic® installation system *

- Fastest and easiest installation system
- Can be walked on during and immediately after installation

*Feature applicable to Universal Hybrid ranges only
